I have made a number of edits to make sure this is consistent with the Statute and the Regulations and parrots the applicable language. Since we have to publish a notice of this in the Federal Register, which includes identifying the time and place for the public hearing, we need to figure out how long this will take, and how we can streamline or front load the process. I made a suggestion, that perhaps we could see if we can prepare the notice, and get preapproval by the office of the federal register, and then we just need to fill in the dates.

We can also streamline this by getting the mailing lists, and papers lined up since we have to notice it in those forums also.

Mary and Blake

Attached is a shortened version of the timeline. I am sending this to Tom to run by the Attys early tomorrow and our experts. If they suggest any changes I will let you know. One addition to what you received earlier is that I have included Tribal Consultation.
